

Dear Piano Lab Parents,

As you may know, Piano Lab is a year-round program offering weekly classes from September to May, and transitioning to 'camp-like' sessions in June, July and August.

Summer Sessions are Piano Lab's way of ensuring that the investments of the school year are maintained and enriched while still allowing students and families the break and travel time they deserve!

**Each student is to select 3 Summer Sessions to attend.**

*\*\*Please note that sessions have limited space and are grouped on a first come first served basis, so please return your forms at your earliest convenience\*\**

And here are the descriptions of 2018 Summer Sessions!

June 18-22 - **Go for Baroque** - Harpsichords, Wigs and Ruffles - Oh My! Through songs, games, and listening, we will dive deeper into this fascinating period in music history.

June 25-29 - **We've got Rhythm** - Future Drummers Welcome! We will deepen our rhythm skills on shakers, wood blocks, plastic cups, bongo drums and...yes, the piano!

July 16 -20 - **Blues and Jazz** - You might want to bring your cool hat and shades for this session. We will be swinging and grooving through these modern styles with a little improv comedy along the way.

July 23-27 - **Super Sightreaders** - Being able to play any song you want is a superpower! Let's have some fun conquering this often intimidating challenge with team games and activities.

July 30- Aug 3rd - **Composition and Orchestration** - Students will find their inner Maestro in this session when they hear THEIR ideas played by a full keyboard 'orchestra'!

Aug 20-24th - **Classical Building Blocks** Who brought the legos to Piano class? We will explore the structure and form of the classical period with musical (and not so musical) games and activities.

The sessions include 60-minute classes Monday Through Friday. Classes are between the hours of 1-7pm with precise times determined by enrollment and parent preferences. Please include any scheduling requirements on the selection form which is on the back of this page. Students will be placed according to age and level.

Your monthly tuition covers the full cost of these sessions. There is no additional payment necessary.

**\*\*Selection DEADLINE is Friday, APRIL 6th\*\***

Thank you, as always, for your support and for the gift of teaching your children.

Best,  
Marilyn
